Great Republican Gains in Congress.

CALIFORNIA DEMOCRATIC.

Harrison and Morton will have 225 Electoral Votes.

DELAWARE'S LEGISLATURE REPUBLICAN.

Our returns this morning confirm those of yesterday as to the general result. The election of Harrison and Morton is conceded by all well informed democrats, though many, remembering how the result hung in doubt for several days four years ago, and finally settled down to a democratic victory, have been hoping that such might be the case this time till compelled to abandon the hope. New York is for Harrison by nearly 12,000 plurality, and Indiana for Harrison by 3,500. California has gone for Cleveland by perhaps 5,000, and Connecticut by a very small margin. As the case now stands Harrison and Morton will have 225 electoral votes, or 24 more than enough to elect them.

[Special dispatch to the Free Press.]
New York, Nov. 7.—"Harrison's all right" is the word everywhere to-day. Even the democrats and mugwumps concede it. The republicans are jubilant and are preparing to celebrate magnificently the situation. At noon the situation appears to be this: Harrison has carried every State that voted for Blaine in 1884, giving him 182 votes. He carries New York by 11,000 to 10,000, giving 36 more or 218 in all. That is 17 more than he needed to elect him. There are the best reasons for believing he has carried Indiana by 1,000 to 15,000, giving 15 votes more, or 233 to 108 for Cleveland in the electoral college. The democratic papers now concede Indiana to Harrison by 400. There is still hope of Harrison carrying Connecticut, though it is doubtful. Little has been heard from California but Oregon is all right by 4,000 and Nevada telegraphs that she is republican from top to bottom by 15,000. California is therefore undoubtedly republican by probably 30,000.
Virginia and West Virginia are still in very doubt, the Delaware Legislature is close and the republicans have hope of electing a United States Senator. The prohibition vote in this State and elsewhere is insignificant. The republicans claim with good reason a majority of 15 to 20 in Congress. It is feared that Warner Miller will be beaten for governor of New York by Hill and the grog shops by a small plurality. In this city Tammany Hall carries everything.
The Tribune publishes a monument with this inscription "Pause, stranger, beneath this shaft, where the wicked cease from pernicious activity and the weary are in innocuous desuetude, lie the political

remains of Grover Cleveland, who perished in an attempt to blow up the Gibraltar of protection. The Gibraltar was not blown up, but Grover was. His last words were "I'll never be as handsome as I was, but Oh, Dan, I'll know more." In his assault upon the protection fortress he had the assistance of the solid south and the (imported) West. John Bull, for a season bade the world farewell and the Golden Club shrank as Grover Cleveland fell; the mugwumps turned aside to wipe the sweating tear, and the democracy proceeded to drown its sorrow in fluid protests against sumptuary laws. History will record that Grover was opposed on principle, (roars of laughter) to the eligibility of a president for reelection and that when it came to his own case the American people felt that way themselves.
The Garland that adorns his statesmanship was selected by himself and was cut finished, while the winding sheet in which he was done up was a red bandanna once owned by a late lamented old R. man.
Adieu dear Grover, taking leave of thee, we use the sad initials R. I. P. Don't mourn him friends, why should you be rejected, because a free trade head lies unprotected?"

THE GREAT VICTORY.

acted New York and Indiana, but lost Connecticut by a small majority. Senator Edmunds received this afternoon the following dispatch:
NEW YORK, Nov. 7.—"We have carried New York and Indiana, and lost Connecticut by a small majority."

The Herald Concedes the Election of Harrison.
NEW YORK, Nov. 7.—The Herald concedes Harrison's election, but considers Indiana, Nevada and California doubtful. It attributes Cleveland's defeat to ambitions plans of Hill and Hewitt, whose nominations caused a split in the city democracy.

A Republican Gain of 11,000 in 1007 Districts.

NEW YORK, Nov. 7.—Ten hundred and seven election districts in New York State, outside of New York and Kings county, give Cleveland 198,753 Harrison 246,386, Fisk 11,555. The same districts in 1884, gave Cleveland 183,100, Blaine 219,753, St. John 10,755.

NEW YORK PRESS ESTIMATES.
NEW YORK, Nov. 7.—The Tribune figure out a plurality of 10,319 for Harrison in the State, the estimates being made where authentic figures are lacking. By the same means Hill is given a plurality of 16,414.

The Sun says that Harrison has 11,702 plurality and Hill 18,952. It says the next House of Representatives will be evenly divided between the two parties; the official count will be necessary to decide which is in the majority. Its figures show Indiana gives Harrison a plurality of about 2000.

Secretary Sherwin of the democratic national committee said to-night it looked now as if Harrison had carried the State, but it would require the official returns to determine it.

OHIO.

The Republicans Carry the State by a Large Majority.

COLUMBUS, Ohio, Nov. 7.—Probably the coolest and apparently the least interested man in the city to-day was Judge Thurman, who spent the time in the same way as he has done the past few years, quietly resting in his library. On being asked for expression of his opinion he said he had nothing to say.

The two State committees are still receiving returns from the State and figuring up the gains and losses, republicans claiming a plurality of 35,000 to 30,000, placing their estimate on no more or less complete returns from about half the counties in the State. The democratic committee says complete or conservative estimates return a gain of 23,000 out of 38 counties are evidence of a democratic gain of a little over 5000, and if this ratio continues, which they scarcely dare hope, they will carry the State. At any rate they say there is no doubt they cut down the republican plurality to small figures.

For Congress the democrats say their losses balance their gains. The republicans claim a net gain of one, Harrison lost in the 10th, claiming a gain in the 7th and 21st. Among the representatives in the next Congress from Ohio will be: Butterworth, republican, Caldwell rep; Williams, rep; Yoder, dem; Selig, dem; Montgomery, rep; Kennedy, rep; Cooper, rep; Hanes, dem; Thompson, rep; Pugsley, rep; Outwater, rep; Wickham, dem; Grosvenor, rep; Owen, dem; J. D. Taylor, rep; McKinley, rep; B. B. Taylor, rep; Sanyser rep; Burton, rep.

CONNECTICUT.

Cleveland Ahead—The Republicans Gain 11 Congressmen.

HARTFORD, Nov. 7.—The State has gone for Cleveland by about 350. The congressional delegation stands two republicans and two democrats.

The returns from every town in Connecticut show a total vote for governor of 153,512 of which Bulkeley, republican, has 73,690, Morris, democrat, 75,031, Morris lacks 1741 of a majority and Bulkeley will be elected by the republican Legislature.

The Courant's returns make the total vote of Connecticut 153,670 for president. Cleveland 74,854, Harrison 74,320, prohibition 4105, labor ticket 191. This makes Cleveland's plurality only 534. A change of 168 votes would give the State to Harrison.

Every town in the fourth congressional district heard from, the figures now elect Miller by eight plurality in a vote of 41,964, previous returns gave the district to Seymour, the present member. If the official count proves the correctness of the figures, Connecticut will gain two republican congressmen instead of one as previously reported.

NEW HAMPSHIRE.

A Clean Sweep for the Republicans in the Granite State.

CONCORD, N. H., Nov. 7.—The returns indicate a plurality for Harrison of 3000 with majority of nearly 2000 for Goodell, republican, for governor. Nute, republican, leads McKinney, democrat, in the first district by approximately 500. Moore, republican, leads Mann, democrat, in second district by 1500. The republicans will have more than 25 majority in the House and a majority of the State senators, executive council and constitutional convention.

One hundred and forty towns and cities give Harrison 21,679, Cleveland 20,284, scattering 831. The same in 1884 gave Blaine 30,577, Cleveland 19,049, scattering 1101. Republican net gain of 67.

CONCORD, N. H., Nov. 7.—Returns from all but 24 towns and wards in the State give Harrison 43,069, Cleveland 40,421, Fisk 1553, Goodell, republican, for governor 42,198, Amaden, democrat, 41,040, Carr, prohibitionist, 1523, Harrison's plurality will be about 2550. Goodell's about 750, leaving no choice, a majority being required. As the Legislature is republican Goodell will be elected.

The vote is the largest ever cast in the State. Nute, republican, is elected to Congress over McKinney, democrat, in the first district by about 500. Moore, republican, over Mann, democrat, in the second district by about 1000. The republicans have elected 13 senators and the democrats eight, with no choice in three districts, as the republicans have a majority of about 25 in the House. MASSACHUSETTS.

Gone Republican by Over 30,000 Plurality.

BOSTON, Nov. 7.—All but two towns in this State give Harrison 182,447, Cleveland 151,290, Fisk 8641. The same towns in 1884 gave Blaine 146,613, Cleveland 122,291, Butler 24,376, St. John 9616. The gubernatorial vote is: Ames 180,439, Russell 132,846, Earle 9170. Republican plurality 27,583. The two missing towns will probably increase the republican plurality by about 50 votes.

"Cressy" will be the greatest literary treat ever given to its patrons by a Vermont newspaper. It begins in this issue.

INDIANA.

Claimed by the Republicans—Gain of Republican Congressmen.

INDIANAPOLIS, Nov. 7.—Chairman Huston of the republican State committee, says Indiana will increase her republican congressmen by two and possibly by four. The Journal claims a plurality for Harrison and the republican ticket.

Ruthless in Indianapolis—Gen. Harrison's Assistant Secretary Assassinated.

INDIANAPOLIS, Nov. 7.—Will C. David, a popular young republican, assistant private secretary to Gen. Harrison, was attacked by an unknown man, early this morning. His skull is crushed and he was taken to a hospital in a dying condition. His assailant escaped.

CONFICTING CLAIMS.

INDIANAPOLIS, Nov. 7.—Reports to chairman Huston show republican gains in following counties: Madison, 201; Harrison, 164; Hamilton, 100; Morgan, 123; Dearborn, 200; Shelby, 301; Vigo, 250; Huston still claims the State for Harrison and Hovey.

The democratic managers believe they have carried the State.

Democrats Still Express a Hope Having Carried the State.

INDIANAPOLIS, Ind., Nov. 7, 12:30 p. m.—The democratic managers are assembled at their headquarters receiving and tabulating their returns independently of the Western Union. Chairman Jewett says our reports show we have carried the State by from 3000 to 5000 unless the returns are tampered with. Governor Gray thought the State safely democratic. Colonel Matson, candidate for governor says: the result is very doubtful. Mr. Speer, secretary of the democratic national committee says: We have surely carried Indiana.

Six hundred and forty precincts in the State give Harrison 99,250, Cleveland 90,308. The same precincts in 1884 gave Blaine 91,054, Cleveland 86,015.

A dispatch received from Fayette county says: "Fourteen out of 15 precincts give a democratic gain of 25 to 40 in the county."

The Gains For Harrison Increase as the Figures Come In.

INDIANAPOLIS, Nov. 7.—Eight hundred precincts in Indiana give Harrison 124,140, Cleveland 120,710. The same in 1884 gave Blaine 116,534 and Cleveland 114,554.

The Indianapolis Journal has returns from 80 counties showing gains for Harrison of 7875, and Cleveland 350 and 3500 majority on nation 1 and State republican ticket. The democrats gain a congressman in the 1st, 11th and 13th districts and elect a majority in both branches of the Legislature.

Big Gains in General Harrison's own Ward and Precinct.

INDIANAPOLIS, Nov. 7.—Complete returns from the Second ward of this city, Gen. Harrison's ward, give Harrison 1,650, Cleveland 350. The same ward in 1884 gave Blaine 735, Cleveland 224, a net republican gain of 200; the third precinct, Second ward, Gen. Harrison's precinct, gives Harrison 345, Cleveland 81, a net republican gain of 264. Cleveland 66, a net republican gain of 91.

Full returns from 27 counties out of 92 show a net republican gain of 2555. The remaining 65 counties, says the republican committee, claim to have returned from 30 counties, either official or verified, showing Harrison would carry the State by 3500 plurality. Governor Gray for the democratic committee claims the State is democratic by 6000.

Secretary Sherwin of the national democratic committee claims the State by 6000 to 6200. Eighty six out of 90 precincts in Marion county give Harrison 10,051, Cleveland 10,228. The remaining four precincts are democratic. Cleveland's plurality will be about 300. Blaine carried Marion county by a plurality of 120.

Nine hundred and seventeen precincts give Harrison 145,941, Cleveland 133,305. The same precincts in 1884 gave Blaine 132,555, Cleveland 121,395.

CALIFORNIA.

Conceded to the Democrats by 4600.

SAN FRANCISCO, Nov. 6.—Four hundred and forty-five precincts in California out of a total of 1560 outside of San Francisco city give Harrison 27,469, Cleveland 25,544. No comparison by precincts possible owing to the large number of new precincts. The democrats claim a majority for Cleveland of about 9000 and the republicans concede 4900.

Out of 1590 precincts outside of San Francisco, 612 precincts give Harrison 47,004, Cleveland 41,215.

ILLINOIS.

Republican by About 20,000—Governor in Doubt.

CHICAGO, Nov. 7.—In nearly every precinct in Chicago, Pifer, republican for governor, ran behind the ticket, and some sections of the city he was mercilessly snuffed by a portion of the labor element, which supported the rest of the republican ticket. Apparently the anti-Pinkerton cry raised by Gen. Palmer has done its work. In complete advices indicate that the State has gone for Harrison by about 20,000.

Absolutely Safe for Harrison by a Good Majority.

CHICAGO, Ill., Nov. 7.—This city complete, and the rest of Cook county, except two small townships, which it is not thought will materially change the result, give Cleveland 81,150, Harrison 60,350. Plurality for Cleveland of 20,800. The county complete in 1884 gave Blaine 69,251, Cleveland 60,608. Plurality for Blaine 8,643. As there has been no change in the State out of Cook county went newly for Harrison, though possibly by a somewhat less plurality than for Blaine in 1884, there would now appear to be absolutely no question, notwithstanding the great gain for Cleveland in Cook County, that the State is safe for Harrison.

The Associated Press have just completed the count on the Illinois gubernatorial vote and say Pifer is elected by 7000 majority.

Read "Cressy."

MICHIGAN.

Sure Gain of Three Congressmen and Possibly Four.

DETROIT, Nov. 7.—The election of Wheeler, republican, in the 10th district over Flier, the present incumbent, is conceded. This leaves but one district, the seventh, in doubt, and is a republican gain. Should Wheeler, democrat, be re-elected in the seventh, which now seems probable, the delegation will stand nine republicans and two democrats. For governor, Luce's plurality will exceed 10,000.

The Congressional Districts.

DETROIT, Nov. 7.—Chapman, democrat, probably elected in the first district; Allen, republican, in the second; O'Donnell, republican, in the third; Burrows, republican, in the fourth; Whitney, democrat, in the seventh; Bliss, republican, in the eighth; Catechou, republican, in the ninth; Fisher, democrat, in the tenth; Stephen, republican, in the eleventh, probably.

WEST VIRGINIA.

The Legislature Republican—Both Parties Claim the Governor.

WHEELING, Nov. 7.—It is pretty well assumed, the Legislature will be republican. S. T. Kinison, republican, is elected to Congress in the first district, Jackson, democrat, in the fourth. The second and third districts are in doubt; both State committees claim the election of governor and the fight is very close.

Great Gains Made by the Republicans in this Close State.

CHARLESTON, W. Va., Nov. 7.—No returns have been received yet of a reliable information. The republican State and county tickets are carried beyond doubt, with probably one exception, the prosecuting attorney. No definite news will be received before to-morrow.

PENNSYLVANIA.

For Harrison 64,000 Strong.

PHILADELPHIA, Nov. 7.—Scranton, McCormack, Atkinson, Ray, Townsend and Watson, all republicans, are elected in the 11th, 16th, 18th, 24th, 35th, and 57th districts. The republicans elect 19 congressmen and the democrats six. Three districts are in doubt. The Legislature is largely republican. Harrison's plurality 65,000.

NEVADA.

The Vote Runs Very Much as Four Years Ago.

SAN FRANCISCO, Nov. 7.—Forty two precincts in the State of Nevada out of 172 give Harrison 3147, Cleveland 2561. In 1884 the same precincts gave Blaine 4106, Cleveland 2534.

ILLINOIS.

All Right For Harrison—Both Parties Claim the Governor.

CHICAGO, Nov. 7.—The republican State Central committee still claim 20,000 plurality for Harrison and from 10,000 to 14,000 for governor. The secretary of the Democratic State Central Committee says the returns received by the committee are too meagre to base a claim on, but that those received are all favorable, being fully up to the figures claimed in the poll made before the election and that if the vote continues on the same basis Palmer will be found to be elected. He is unable to make any estimate on the presidential ticket.

NEBRASKA.

Has Gone for Harrison by 30,000 to 35,000 Majority.

LINCOLN, Neb., Nov. 7.—The latest estimates from the returns received by the State Journal give Nebraska to Harrison by between 30,000 to 35,000. For governor Thayer, republican, has 25,000 majority.

KANSAS.

Overwhelming Republican Victory Everywhere in the State.

TOPEKA, Nov. 7.—An estimate based on the returns from every county in Kansas gives Harrison 70,000 majority over Cleveland and 65,000 for the entire republican State ticket. The Legislature is almost solidly republican. The republicans have elected all but four members, and two of these are in doubt.

COLORADO.

Overwhelming Majority for Harrison and the Republican Ticket.

DENVER, Nov. 7.—Returns from 34 counties in Colorado out of 43, give Harrison nearly 12,000 majority and Cooper, republican, for governor, between 8000 and 10,000 majority.
